What is Construction?

Hear from our employers and training providers on the wide range of opportunities in the construction sector and how you can apply for opportunities.

Some employers will be offering training through entry level roles that will help you to gain the skills to progress.

What Skills and Training do I need?

Having found out more about construction our speakers will share their journeys into the field and the training and on the job learning opportunities they offer. Hear from their apprentices.

I'm interested, what do I do next?

If you want to understand how you make a move into the construction sector you can find out more with some of our speakers offering immediate training opportunities, and many of the employers will be offering T Levels and Industry Placements as part of courses.

Our speakers include: Flannery, Keltbray, STC Group, Oaklands College, Skillspire, NLA, Federation of Master Builders, Lee Marley, New City College, LMAC, Mount Anvil, Thames Water, Barratt London, Transport for London and Morgan Sindall

Don't forget to book your one to one session with our employers and advisors
