Dear Parent/Carer

Please find enclosed the end of term letter and your child's data report. The spring term seems to have raced by and it's hard to believe that the holidays are nearly upon us. This has been a very productive term which has seen excellent achievement across all settings. A warm welcome to Kate, our new Lead Teacher in the Primary Team, and to Amy, who has joined the pupil support team at Meadway.

As we come to the end of the term, I would like to thank you for your support and commitment to your child's education at The Pavilion. Your partnership is instrumental in creating a positive and supportive learning environment for all of our pupils. Seeing our youngest pupils complete circuits in the woodland area at Meadway, observing learning across all sites, and witnessing pupils successfully reintegrate into mainstream education continually reinforces the vital role The Pavilion plays in helping children and young people reset and succeed. I also want to congratulate all our Year 10 and 11 pupils who successfully achieved a pass in Level 1 and/or Level 2 Functional Skills in English and Maths.

This is, of course, a crucial time for all pupils preparing for examinations. Pupils in Year 11 are finishing their final preparations for their GCSEs. As always, we appreciate the support of our parents/carers in ensuring that their son/daughter is undertaking appropriate revision activities at home including accessing SamLearning and MyMaths. Teachers and pupils have been working conscientiously in school to ensure high levels of success and achievement. The main summer examinations begin on Friday 9th May and, to ensure pupils maximise revision and study time in school, all pupils in Year 11 must attend lessons as normal. There will be no formal study leave during the first part of the Summer Term. Following the start of the exams, a revised timetable of lessons and revision sessions will be shared with all Year 11 pupils and parents/carers.

This term, our whole school attendance has improved, but punctuality remains a challenge, particularly among our older pupils. Research shows a strong link between attendance and achievement, so let's make a commitment to arriving on time as we head into the summer term. Remember, breakfast is available at all sites to ensure a calm and positive start to the day. Well done to all pupils who have improved their attendance and punctuality this term—keep up the great work! Additional recognition to Teddie, Jack C, Ke'Moy, Noah, Boris, Helson, Maks and Faith who achieved the highest attendance across the school this term.

We are excited to introduce our new reading project, designed to inspire a love of reading and boost literacy skills across The Pavilion. Regular reading not only helps to grow vocabulary and comprehension but also builds confidence, supports emotional well-being, and improves overall academic success. We encourage you to support this initiative at home by sharing stories and discussing books together. Thank you for your support in helping our pupils develop a lifelong passion for reading!

The Pavilion

Congratulations to all our pupils who were recognised in the end of term assembly for their achievement and representation of our school values.

As usual, pupils have been engaged in numerous enrichment activities such as:

- Projects with the Arts Depot
- Saracens Foundation
- Dallaglio Rugby Works
- England v Spain Football match at Wembley
- Youth Reality
- Papatango Project
- Football match against Oak Hill School – Team Pavilion were the winners!
- Hampstead Heath Woodland Project
- Tender project
- Boxing with Action Intervention Boxing

A huge thank you to the staff who organised and led these activities and also a thank you to our pupils for nearly always being positive representatives of the school.

All pupils at The Pavilion are expected to follow the uniform code. This includes black trousers or a skirt, a white shirt or polo shirt, and a school sweatshirt. Uniform items can be purchased from the school office on each site and paid via ParentPay.

Hoods and hats are not permitted and should not be worn in school or during lessons. Pupils who arrive in inappropriate attire may be required to return home to change. **For the summer term, we are introducing a black T-shirt, which will be available for purchase from the office. This can be worn in place of the white polo shirt.**

Arrangements for the End of Term

The final day of the Spring Term is **Thursday 3rd April. This will be a non-uniform day and pupils will finish at 12.30pm.**
